

BROAN *Elite*

Spire SERIES

STAINLESS
30" 36"

SPE130SS
SPE136SS

Broan Elite brings you Spire, an exciting new shape in a pro-style hood. Its high efficiency ensures energy savings while you enjoy pro-style performance.

- The Captur™ system's advanced blower design features a forward positioned centric inlet to remove smoke and odor faster. Three-speed blower control exhausts at a powerful 600 CFM.
- Forward placement and smooth-flow blower wheel design ensure quiet, <0.3 sone operation at normal speed.
- Bright, two-level LED modules—supported by a 3-year warranty—illuminate evenly and are tested in cooking environments to ensure long life without dimming. ENERGY STAR® qualified LEDs maximize savings.
- Tap-touch, 3-speed capacitive control features a smooth, easy-to-clean surface.
- Dishwasher-safe, hybrid baffle filters provide ultra-efficient grease removal with superior air flow. The filter clean reminder ensures they will always maintain a high level of capture.
- EZ1 brackets enable single-person installation in less than half the time of traditional methods.
- ADA compliant, remote operation is possible using a standard UL approved wall switch (kit sold separately).
- Non-duct capable with use of charcoal filters, sold separately. Hidden louvers on top of hood exhaust away from cabinetry.
- Non-duct installation does not meet ENERGY STAR® requirements.
